Your Excellency:

The Southeast Asian Regional Center for Graduate Study and Research in Agriculture (SEARCA) invites applications from qualified nationals of your country for graduate scholarship (MS and PhD) in agriculture and related fields focused on inclusive and sustainable agricultural and rural development for **School Year 2015-2016**.

We are also sending letters inviting applications for the SEARCA scholarship through the Ministry of Agriculture and Rural Development, as well as agricultural universities and schools in Vietnam. They will screen the applications that they will receive and the selected candidates will be endorsed to the Ministry of Education and Training together with their application documents. These names are to be considered in the final list of nominees the Ministry of Education and Training will approve before endorsing to SEARCA. All scholarship nominees from Vietnam will be interviewed by SEARCA between September and December 2014 at a venue to be specified by the Ministry of Education and Training.

The list of applicants accompanied by a complete set of requirements must be received by SEARCA not later than **30 July 2014**.
